DID YOU KNOW...

- There are approximately 250 students enrolled in Calmar Elementary School and approximately 230 in Calmar Secondary School
- 31% of property tax dollars are allocated towards transportation & infrastructure costs
- The Future Library project in Oslo is growing the trees that will be needed to publish 100 books 100 years from now. Each year, one author will submit a manuscript for eventual publication. The first author to submit material was Margaret Atwood.

Mayor's Corner

Summer is over and on September 3rd school is back in session. Please watch your speed in and around town. The children are excited to be going back to school and may not be paying attention as to where they are going or what they are doing. Let's be safe!!!

As a result of last month's By-election I would like to welcome Don Faulkner to Council. I am looking forward to working with you Don for the next two years.

Calmar Days went off without a hitch. I would like to thank Byron King and the Rec. Board members, as well as all the volunteers for their efforts in making Calmar Days and Mega Market a big success. Thank you one and all!!!

There will be a Community Registration Night on September 12th, at 6:30 to 8:00 pm. at the Calmar Elementary School. Come on out and get involved in your community,

As always if you have any questions or concerns you can contact myself or any of the Councilors. We will answer your questions or get you the answer as soon as possible. I can be reached at wychimetz@calmar.ca or call me at (780) 722-4147. You can address all of Council between 6:30 and 7:00 pm before the council meeting held on the first and third Mondays of the Month.

LET'S MAKE CALMAR, THE BEST CALMAR IT CAN BE.

Mayor Wally Yachimetz

Knit & Stitch

Tuesdays @ 1:30 pm to 3:30 pm

Our Knit and Stitch program will continue throughout the summer. This is a great place to share your interest whether you're a beginner or pro. Bring your handiwork and spend some time with fellow knitters. All levels of skill welcome. Wool and patterns available. Bring your own needles.

Knitting Techniques: GARTER STITCH

This is the most basic of all stitch patterns and is achieved by knitting every row. The result is a flat, reversible, ridged fabric that stands up well to wear and does not roll at the edges.

Here's how to do it: When you get to the end of your first row of knit stitches, transfer the full needle to your left hand and start the process of knitting each stitch all over again. After several rows you'll begin to see the fruits of your labour, and in time your growing strip of garter stitch will start to look like a real piece of knitted fabric.

Come and learn these and other knitting techniques.
Tuesdays @ 1:30 pm to 3:30 pm.

Stay 'n' Play

Wednesdays starting September 4th – Dec 11th

10:00 am to 11:15 am

This program is for caregivers and children (0-5 yrs) and encourages children's brain development through exploration of 'loose parts' and child directed play. Healthy brains are built on quality playtime and strong relationships. You are your child's best 'play partner' and most important teacher. Create connections and build community at you're your local library. Join us in play, conversation, and early years learning!

Stay 'n' Play Plus

Wednesdays starting September 4th – Dec 11th

1:00 pm to 2:30 pm

This program offers more activities and discussions about early childhood development. What does it mean to be your child's first teacher? Why is play so important? How do I guide my child through a tantrum? What is the connection between relationship and resiliency? What does healthy brain development look like? Come out to play, chat and be curious about the factors that influence human development, and link the dots from connecting, to playing, to learning.

Home Alone Workshop

Wednesday, September 25th 6:00 pm to 8:00 pm

For children ages 9 to 11 and their parents/caregivers
Do you think your child is ready to start staying at home before or after school or occasionally for short periods of time? No matter what your situation, this workshop will enhance your child's skill and confidence to stay home alone while giving you the knowledge about what your child needs in order to be ready. This free workshop focuses on home alone skills and readiness, as well as emergencies, back-up plans and scenario practices. Space is limited. To register please contact call 780.955.6421 or email brandee@leduc-county.com

FROM THE RECREATION DEPARTMENT

Well, another Calmar Fair Days has come and gone and I think we did okay.

Leading up to the event the weather was not promising at all. Friday was supposed to be kind of cool with high winds while Saturday was going to be a little less windy but still breezy enough to threaten the fireworks. I was prepared to have to cancel either the Movie Under the Stars, the fireworks, or both. As it turns out, Mother Nature decided she also wanted to be Mother Nurture and, after deciding to go ahead with setting up the inflatable movie screen Friday night, the wind drastically subsided. As a result of this the Movie Under the Stars ran from start to finish for the first time in a few years. An audience of approximately 60 people took in the live action version of Dumbo but as the temperature plummeted during the evening, only about 10 hardy movie fans made it to the end credits.

Saturday ended up being a pretty sunny day with minimal wind, meaning the fireworks were a 'go'. The parade saw 27 entrants, including all the kids who took part in the Kid's Bike Parade. Congratulations to Hawkstone Stables for winning Best Overall.

The Mega Market did good business as can be evidenced by the successful day many of the food vendors had. The JDRF pancake breakfast exceeded their projected numbers by 25% (over 800 plates!), the BBQ at the Legion moved a lot of burgers and dogs, Alberta Milk came to town with 500 units of product and they ran dry by 1:30. Coffee, Pucks, & Poutine did solid numbers at the arena, Lee's was hopping, and Smokin' Barrels won rave reviews and actually had to buy more French fries.

The kids activities saw the usual long lines for the bouncys, petting zoo, and face painting and the return of the climbing wall proved very popular. The fireworks had to be shifted due to new housing construction but other than this minor starting location change, everything was pretty much the same as we had another spectacular end to a Calmar Fair Days Saturday. Thank you once more to Direct Line Insurance for donating face painting supplies and to Lattman Equipment Ltd. for donating generators and lights for the kids' activities and the ball tournament.

The Getaway program is finished for another year and while numbers were down from last year's phenomenal 58, the kids that were registered this year had a good summer. I will admit there were some hiccups (the worst had to be rain ruining what was a great trip to the Ukrainian Village) but things will be reviewed and hopefully next year we'll see things firing on all cylinders again as we tweak the things we can control (unlike the weather).

With the kids getting back to school that can only mean that ice at the Mike Karbonik Arena will be going in soon. This year the process will be facilitated by the 2 new dehumidifiers that were installed in August. In addition to making ice installation easier, the dehumidifiers should also make it more enjoyable for ice users and spectators alike as the air shouldn't have as much of a bite anymore.

Also in August a new trophy case was installed to replace the Minor Hockey trophy case that came crashing down the day after the ice season ended last March. With the design of the new unit the chances of a repeat incident should be pretty small.

On the 12th of this month is the annual Community Awareness Night. For those who are interested in minor baseball, this might be of special interest to you this year as there is someone who wants to try and get minor ball in Calmar going again and he might have a table on this evening.

In closing, there are still two vacancies on the Recreation Board. If you are interested in applying and would like more information, please feel free to contact me at bking@calmar.ca

Overdose can affect anyone.
#EndOverdose

On **August 31**, show your support and recognize **International Overdose Awareness Day** by wearing a silver badge.

Wearing a silver badge can signify the loss of someone cherished or demonstrate support to those undergoing grief. It sends out a message that every person's life is valuable and that stigmatizing people who use drugs needs to stop.

During the week of **August 26 to 31**, pick up a silver badge at the **Town of Calmar FCSS Office** or at the County Centre, 1101 5th St., Nisku, Thorsby, Warburg and New Sarepta FCSS offices. Quantities are limited. For more information, please contact Leduc County FCSS at **780-955-6424**.

September 9th is International FASD Awareness Day

"Fetal Alcohol Spectrum Disorder (FASD) is a diagnostic term used to describe impacts on the brain and body of individuals prenatally exposed to alcohol. FASD is a lifelong disability. Individuals with FASD will experience some degree of challenges in their daily living, and need support with motor skills, physical health, learning, memory, attention, communication, emotional regulation, and social skills to reach their full potential. Each individual with FASD is unique and has areas of both strengths and challenges."
