Comments from the Mayor

Now that the Christmas/Holiday Season is over it's time to get back on track.

First off I'd like to address the snow removal of late and apologize for any inconvenience resulting from the breakdown of our snow blowing unit and the delay in removing the snow while we waited for parts. I'm sure we will be caught up soon and you will all get back to enjoying the service that you've become accustomed to.

As council and staff work through the 2014 budget drafts, it's time we turn our attention to the 2015 and 2016 budget process.

It is of great importance to have community and business input, in that regard, I would like to encourage the residence and business owners in Calmar to mark February 1st on your calendars.

This is a Saturday, from 10:00 to 2:00 we will have our annual "Open House". Starting this year we will host, in conjunction, a "Business Retention and Growth Forum". We can not overstate the importance of your input into community and business planning process and we look forward to you dropping by for coffee/donuts and some conversation. We will have on hand all of the Town Departments, Council and Representatives from our Boards and Committees. This will be your opportunity to speak first hand with us and give us some insight to your priorities, which will allow us to plan for the future and find the balances that will continue to make Calmar such a wonderful place to live.

Thank you, Don Faulkner
