

Happy Canada Day!

Canada Day commemorates the formation of the British North American Union on July 1, 1867. Four provinces, Nova Scotia, Ontario, Quebec, and New Brunswick became a self-governing body under Great Britain's dominion. Originally named Dominion Day, the name was changed in 1983. Canada Day is celebrated on July 1st each year.

THEY GOT SKILLS!

Calmar Secondary School shop students once again participated in the SKILLSCANADA Competition.

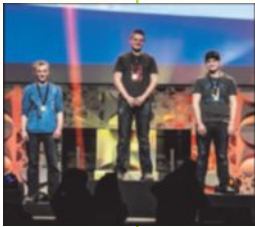

This year 8 students participating in the qualifier competition competing for a spot at Skills. The top 3 were Conley Wurban, Jorn Peeters and Tucker Weldon. They went on to compete at the provincial level on May 13th and 14th. These young men swept the podium!

The National competition took place on May 28th and 29th. Jorn Peeters earned the Silver medal for Alberta.

In addition to these up and coming young talents, Calmar alumni Trevor Fandrick, will be travelling to Brazil to represent Canada at the upcoming World Skills competition in August. We all wish him the best!

Thank you to the Calmar Secondary School for sharing this story with us.

Congratulations Mr. Roth and all of the students who participated!
