

# Calmar Chronicle

Canada Day commemorates the formation of the British North American Union on July 1, 1867. Four provinces, Nova Scotia, Ontario, Quebec, and New Brunswick became a self-governing body under Great Britain's dominion. Originally named Dominion Day, the name was changed in 1983. Canada Day is celebrated on July 1st each year.

To all the residents of Calmar,

I just want to express my thanks and appreciation for the support I as a Peace Officer have received from you. I retired from the RCMP to take on the duties of the Community Peace Officer in Calmar not exactly knowing what to expect. While I am well versed in Federal, Criminal and Provincial statutes I needed to brush up on the Municipalities Act and the Calmar Bylaws. I was not disappointed with my decision. It can be difficult enforcing laws in a small tightknit community such as Calmar however, I found that while enforcing these laws the vast majority of people I encountered were polite, gracious and thanked me for doing my "job".

I have submitted my letter of Resignation and as such will work until the end of June. Calmar has treated me well and I have met some wonderful people in this community. My decision to resign this position was not an easy one however, due to personal circumstances it was what needed to be done.

Thank you and I wish all of you the very best.

## MAD LIBS® VACATIONS

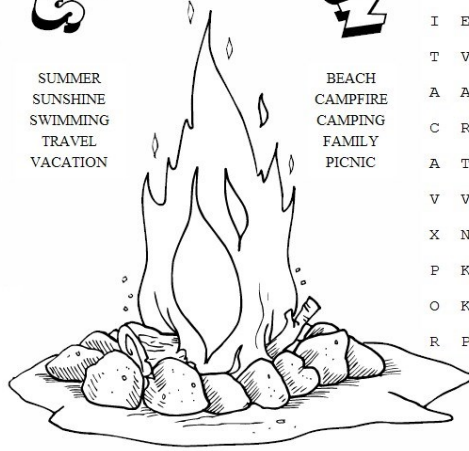

A vacation is when you take a trip to some \_\_\_\_\_ place  
with your \_\_\_\_\_ family. Usually you go to some place  
that is near a/an \_\_\_\_\_ or up on a/an \_\_\_\_\_.  
A good vacation place is one where you can ride \_\_\_\_\_  
or play \_\_\_\_\_ or go hunting for \_\_\_\_\_. I like  
to spend my time \_\_\_\_\_ or \_\_\_\_\_.  
When parents go on a vacation, they spend their time eating  
three \_\_\_\_\_ a day, and fathers play golf, and mothers  
sit around \_\_\_\_\_. Last summer, my little brother  
fell in a/an \_\_\_\_\_ and got poison \_\_\_\_\_ all  
over his \_\_\_\_\_. My family is going to go to (the)  
\_\_\_\_\_, and I will practice \_\_\_\_\_. Parents  
need vacations more than kids because parents are always very  
\_\_\_\_\_ and because they have to work \_\_\_\_\_  
hours every day all year making enough \_\_\_\_\_ to pay  
for the vacation.

## Mayor's Corner

Yaaa!!! The Calmar Hotel has finally been removed. I would like to thank Administration for all of their hard work with the Developer to ensure that everything was done in a proper manner. Construction will start on a new structure that has great potential for our community. Even though economic times have slowed down we are still moving ahead.

It has been brought to my attention that we have some residents exceeding the posted speed limits in residential areas of town. Most streets and avenues have a posted speed of 30km/h and back alleys are posted at 15km/h. These are posted at this speed of the safety of our children and residents. By speeding through the residential area of town you might save yourself a couple of seconds, not minutes getting to your home. However 10 or 20km/h faster may make the difference between hitting and hurting a child or not hitting and hurting a child. So please obey the posted speed limits.

Communities in Bloom will be hosting Games, Hot Dogs and Drinks at the spray park behind the skating rink on July 1st, Canada Day. Come out and celebrate Canada's 149th Birthday with us.

I would like to take this time to thank Ms. Anne Donovan for her time on council. She has tried to make a difference in our community and that is greatly appreciated. She will be missed for her insight and ideas. We wish her all the best in her new adventure.

As always if you have any questions or concerns you can contact myself or any of the Councilors. We will get you the answer to your questions and listen to your concern. I can be reached at [wyachimetz@calmar.ca](mailto:wyachimetz@calmar.ca) or call me at (780)-722-4147.

Let's make Calmar, the best Calmar it can be.

Mayor Wally Yachimetz

# CALMAR FAIR BENCH SHOW

est 2008

If you have a hobby, and would like to show off your project in a fun, old timey style competition, keep reading! On August 20 Calmar is hosting the Calmar Fair Bench Show Competition in the Calmar Curling Arena. We are excited to announce that for the 9th consecutive year, Calmar will be home to a traditional bench show competition. But what is a Bench Show?

Bench Shows are sometimes called Agriculture Fairs, Fall Fairs, or County Fairs. Regardless of the name used, most people will recognize the Bench Show as an event where people win red, blue or white ribbons for baking the best pies or growing the finest vegetables. The Calmar Bench Show offers over 600 unique classes across four different age categories. All the classics like quilting, baking, sewing, painting and canning are still alive and well. However, we also have classes for more modern pursuits like photography, digital art, card making etc. This year we are introducing two special classes for our young people as well as two special classes

## **LEGO CONSTRUCTION!**

Every kid loves Lego, and there will be many different categories in which to compete. So if you like to build with Lego, here is your opportunity to make your masterpiece, showcase it to the community and compete against other Lego-minded kids. Or, bring your whole family out to see the:

**“BIGGEST LEGO COMPETITION IN ALBERTA!”**

## **Chocolate Chip Cookie!**

Every child receives the same recipe which is printed in the Competition Guide which may be picked up from the Calmar Town office or you can find the exhibit classes on line at [www.calmarfair.com](http://www.calmarfair.com). Let your budding baker enter their most tempting cookie into a fun competition. There are many different categories in which to compete, so you'll want to enter more than one class.

This year we are excited to include a special class of Cake/Cupcake Decorating for adults. Here is your opportunity to make your masterpiece, showcase it to the community and compete against other like-minded artists. If your interest is in baking, we also have a special opportunity this year for you to enter your best Banana Bread into the Competition. The recipe is printed in the Competition Guide which may be picked up from the Calmar Town office or you can find the exhibit classes on line at [www.calmarfair.com](http://www.calmarfair.com). This exciting event gives you the opportunity to showcase your talent and interest in a fun, friendly competition. This event is open to everyone, regardless of age or hometown! So, mark your calendar and come on out to the Calmar Curling Arena! Exhibit registration is on August 18, 2016.
