CALMAR FAIR BENCH SHOW

If you have a hobby, live in the Edmonton area (especially in Leduc County), and would like to show off your project in a fun, old timey style competition, keep reading! On August 18 (you have lots of time to get ready), Calmar is hosting the Calmar Fair Bench Show Competition. Yes, it's the kind of fair where your grandma brings her finest pie and your grandpa brings his best bushel of barley to win a blue ribbon. However, it's also the kind of fair that has categories for more modern pursuits like photography, digital art, card making, etc.

This fair is in its 5th year and we're working hard to push for record involvement! After all, strong competition is key to a successful competition!

We've included a link below to a fair booklet that contains a full list of categories. You can also pick up a hard copy at the Calmar town office. Check it out and see what grabs your interest. The entry cost is extremely low and this event provides you an excellent opportunity to showcase your images and compare your work to that of others!

Have fun preparing. See you in August!

Northern Alberta Youth Entrepreneurship Camp!!

For Immediate Release – Community Futures making camp experience accessible for local youth.

Community Futures Capital Region is excited to provide **local youths** with an opportunity for fun, making new friends and learning a lot about the world of business.

In total, 52 youths (aged 13 – 15) from around Northern Alberta, will spend a full week – August 12th to August 18th at Blue Lake Centre, located 20 minutes northwest of Hinton, attending the Northern Alberta Youth Entrepreneurship Camp (NAYEC).

Through a curriculum delivered by experts and group development of their own business, campers will learn the basics of small business start-up and operations, business financing and using teamwork to achieve a common goal. Of course there will also be ample time for recreational activities such as archery, swimming, canoeing, beach volleyball and several other games and activities.

There is no registration cost for attending this camp, thanks to the generosity of corporate sponsors and funding contributions from the Community Futures Offices in Northern Alberta. **NAYEC will also be providing transportation** to the camp at **no cost to the participants.**

For more information and to request an application form for the camp, contact Karla Gould Community Futures Capital Region at 780-968-7013 or by email at karlag@cfcapitalregion.ca. **Don't delay! Space is limited.**

There's no better way to spend one of the last weeks of summer vacation and develop some new friendships.
