Mayor's Corner

Property tax season is here again. Administration and Council have worked hard on passing a budget for 2019 with a 1.5 percent tax increase on the municipal side of the property tax roll. There is no Provincial Budget until the fall because of the recent Election. This makes it hard to determine how much money to collect for the Provincial School Tax. Council decided to use the same mill rate for the School Tax portion as was used last year. This was done so the tax notices could go out on time. The School Tax rate is set by the Provincial Government and will be adjusted next Property Tax Year (2020), once Administration is made aware of what the mill rate will be. Resident taxes are connected to the property assessment or value of your property. If your property value goes up, your taxes would go up. If your property value goes down, your taxes will go down too, provided the mill rate stays the same.

There has been negative talk on Facebook that the Town of Calmar has a "reserve fund of over \$25 million and why do our taxes need to go up? ". The Town **does not** have a **Reserve Fund** of \$25 Million. The Town has an **Accumulated Surplus** of \$23,098,578 of which \$22,527,520 is **Non-Financial Assets**. Non-Financial Assets are land, buildings, streets and sidewalks, water and sewer lines, reservoirs, lagoons and equipment that the Town owns. This is **NOT cash flow** sitting in a bank account to be used as the Town decides, rather assets the Town owns. I hope this helps to explain what the reserve is referred to when looking at our financial statement.

Over the last six years taxes have either increased or stayed status quo as follows:

2014 - 1.5% Increase
2015 - 0.0% - No Increase
2016 - 0.0% - No Increase
2017 - 1.5% Increase
2018 - 1.5% Increase
2019 - 1.5% Increase

The above percentages are below the cost of living or inflation rate for each of these years. This has been accomplished with **NO cut to services**. Other communities in the area have seen 3 to 7 percent increases per year over the same period. No one wants to pay more taxes, including Council. We are tax payers too.

As always, what is said or heard in the coffee shops and the internet is not factual. I am available for phone calls and emails when you have a question or concern. Council and Town Administration are trying to increase our tax base, by bringing in new residents and business. When gross misinformation is spread about the Town, the same Town residents call home, not only is the Town misrepresented, it is very easy for other people outside the community to have a negative outlook about Calmar too.

In other good NEWS the "CALMAR CIRCLE" is finally under construction. This is going to create some delays until approximately October when the Circle is scheduled to be completed. The intersection will be much safer for Town residents and we urge all drivers to use care when traveling through the construction zone.

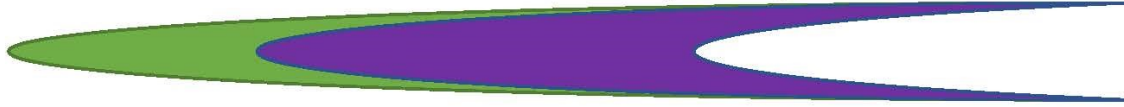

Canada Day is fast approaching. Mark your calendars as the Recreation Board will be hosting activities, hot dogs, birthday cake and drinks at the Spray Park. Everyone is welcome to come out and celebrate Canada's 152nd Birthday.

If you have any questions or concerns, please feel free to contact me or Council. You can contact me at wychimetz@calmar.ca or call (780) 722-4147.

Let's Make Calmar Be the Best Calmar It Can Be!

Mayor Wally Yachimetz

What's Happening at the Calmar Public Library **June 2019**

June Programs Pride Month

A riot at the Stonewall Inn in Manhattan in June of 1969 is often considered to be the beginning of the gay liberation movement. Launched in 2000, Gay and Lesbian Pride Month is held in June to commemorate this event. Today, Pride Month is recognized across the country and around the world. As the National Women's History Project puts it, "June is now the month of acceptance and the month to welcome diversity in communities regardless of sexual orientation."

We at the Calmar Public Library want to take the opportunity to support the importance of libraries as places of solace by promoting equity, diversity, and inclusion. For Pride Month we have created a book display with a selection of LGBTQIA books. Drop by to check it out and to get your Pride sticker.

FROM THE RECREATION DEPARTMENT

Don't forget on Saturday June 8th the Recreation Board invites everyone down to the Mike Karbonik Arena for a pancake breakfast to recognize the many contributions of the hardworking farmers to our community. For those dedicated harvesters of the earth, we will even have special little token of our appreciation (besides breakfast).

The following Saturday we hope to have the First Annual Father's Day Pentathlon to decide who is the greatest father in Calmar!!! Now don't worry about the word pentathlon – the events won't be things like pole vault or 1500m races. Instead they will be fun things that a father might have to do. I don't want to give away too much lest some of you get an unfair advantage in training but think of things a father would have to do for their kids and family...

Deadline for registration is 4:30 p.m. Wednesday 05 June. There's no cost but we do need to know in advance how many will be participating. If there are insufficient numbers we will sadly have to cancel this year's edition and try again next year.

This year's Summer Get-A-Way is shaping up. The program will start on Tuesday July 2nd and the deadline for registration and payment will be Wednesday June 26th. The Get-A-Way is a first class program (as can be evidenced by the incredible 58 registrations we had last year) and for many a year it has been significantly undervalued. In order to ensure that we can continue to provide quality programming registration rates have been adjusted (last year's increase was to help offset the cost of the field trip t-shirts the kids got to keep). For Calmar and Leduc County residents it will be \$25/wk and \$30/field trip or the entire 6-weeks for \$250. For those living elsewhere, the rates will be \$50/wk and \$60/field trip or \$500 for the entire program.

Planning for Calmar Days is well under way and things are looking pretty good for some food trucks to be part of the scene again. We are exploring the possibility of expanding the entertainment and will be giving the outdoor movie another try. For this year's movie I am looking at the following options:

1. Up! (was supposed to be shown in 2017 but inclement weather prevented this)
2. The Incredibles 2
3. Paddington 2
4. Dumbo (2019 Live Action) (Pending DVD availability)
5. (Write in candidates)

Send me an email at bking@calmar.ca with your vote/write in choice for the movie you would like to see under the stars at Calmar Days!

Finally, don't forget to join us at Engberg Park on Canada Day for hotdogs and cake as we mark the 152nd Birthday of the Dominion of Canada! PLEASE NOTE: There will be a strict limit of TWO (2) hot dogs per person to ensure that EVERYONE gets at least a hot dog. While it might be amusing to see how many hot dogs any one person can eat, this is not fair for the ones who cannot arrive until later only to find there is no food left because of this 'curiosity'.

Join us to celebrate our 'BIG 7'

The Town of Calmar Economic Development & Tourism Board would like to meet you and gain your feedback on their 2019 – 2025 Strategic Action Plan.
