Community Futures Capital Region is excited to provide **local youths** with an opportunity for fun, making new friends and learning a lot about the world of business.

Through a curriculum delivered by experts and group development of their own business, campers will learn the basics of small business start-up and operations, business financing and using teamwork to achieve a common goal. ## The 3rd Annual Calmar Firefighter's Ball

was held on Saturday, May 21, 2012, with a crowd of more than 200 in attendance. The evening was a great success. There were a few speeches, a live performance by Edmonton's Celtic Dancers, a live auction, a silent auction, and of course, dinner and a dance until 3:00 AM. A great time was had by all. The final tallies are not yet complete, but the event was also a great success on the fundraising side as well. See you all there again next year!!

I would also like to remind everyone out there in the countryside to be very careful when burning waste and brush piles. Despite our recent snowfall and rains, the terrain is very dry and the fire hazard is quite high. Please ensure that the area around burn locations is free of grass and bush, with fireguard zone that is appropriate to the size of the fire planned. It only takes one spark on the wind to start a wildfire!
