## Mayor's Corner

With Spring's arrival, brings the planting of flowers and beautifying our Town. Our Communities in Bloom people will be hard at work shortly and are always looking for a helping hand. Whether you have a green thumb or not and a little spare time, contact them to help make our town a beautiful place to call home.

Volunteer Appreciation night took place on April 13<sup>th</sup> and was a big success! Thank you to all our dedicated and much appreciated volunteers! Thank you to Yvonne Pearson and Byron King for their hard-work on putting this great evening together. Volunteers are the heart of our community and are always needed. If you have some free time and would like to help, please contact the Town Office and they will connect you with these organizations.

Speaking of volunteering, did you know the Town has a float that is taken to many parades in and around the surrounding area? We are looking for people to ride on the float and represent the Town. We are also looking for local businesses to advertise on the Town Float. To sign up to ride on the float, parade dates or to advertise your business, contact the Town office at (780) 985-3604 for details.

The Recreation Board thanks everyone for their input on how to develop the land on the south end of the Ball Diamonds. They will be making their recommendation to Council based on the community response.

As always if you have any questions or concerns you can contact me or any of the Councilors. I can be reached at [wychimetz@calmar.ca](mailto:wychimetz@calmar.ca) or call me at (780) 722-4147. You can address all of Council between 6:30 and 7:00 pm before the council meetings held on the first and third Mondays of the Month.

We have so much to be proud of in our Community!

**LET'S MAKE CALMAR, THE BEST CALMAR IT CAN BE!**

# **Calmar and District Senior Citizen's Club**

## **May 2019 News**

The Calmar and District Senior Citizen's Club would like to welcome all seniors in the region to come and try us on for size. It is an opportunity to meet up with old acquaintances, make new friends and have some fun.

Our seniors club has a very liberal age limit, anyone over the age of 50 is welcome to join the club and socialize with other seniors from Calmar and the surrounding area.

The club host the Music Jammers on the 4<sup>th</sup> Wednesday of every month except (July & August), this is a great opportunity to listen and dance to lively music provided by regional musicians. The cost to attend is only \$7.00 for an afternoon of music and fun. A light lunch is also served.

### **ANNUAL STRAWBERRY TEA FUNDRAISER**

**May 10th & 11th, 2019  
10:00am – 2:00pm**

**Strawberry Shortcake & Tea \$5.00**

The Calmar Seniors hall is available for rental. The rental rates are \$100 for 4 hrs or less and \$200 for more than 4 hours plus an equal amount for a refundable damage deposit. Please call Ed Roskewich at 587-986-0921 for rental or more information.

#### **Activities to look forward to at the Calmar & District Senior Citizen's Hall are:**

May Music Jammers – May 28, 2019 @1:00 PM

June Music Jammers – June 25, 2019 @ 1:00 PM

General Meeting – June 19, 2019 @ 1:00 PM

## FROM THE RECREATION DEPARTMENT

2 people actually contacted me directly regarding the question of what should "Zolner" Park feature for facilities but a lot of people did comment on the Calmar Crime Watch page. Probably 99% of all comments focused on 1 or the other of the following: campgrounds or dog park. Without getting into things too deeply here, I can say that the Town is seriously looking at campgrounds with a dump station and (separately) a dog park but is not considering the "Zolner" Park area for either. As it stands, the Recreation Board is recommending a 4<sup>th</sup> ball diamond and 2 soccer fields with additional patron parking and a bbq/picnic area for tournament use.

A couple of comments received mentioned there are no basketball courts in town. Well, good news for these bball enthusiasts – there are courts over at Westview Park at 52 Street – 52 Avenue. BUT here's the rub. It has been brought to my attention that sometimes when bballers go to shoot some hoops, sometimes they can't get on because there are 4 pickleball courts on the basketball court and there have been pickleball players on there. Now, I could follow in the words of a Canadian rock band and put up a sign there but let's see if we can avoid the clutter by allowing users to self-police themselves. The simple truth is the basketball courts were built first and, obviously, for basketball. Because of this, basketball should take precedence. That said, it appears an arrangement seems to have been made that pickleball would run the months of July and August on Tuesdays and Thursdays from 6:30 – 8:30 p.m. So to honour the commitment to pickleball my predecessor made, let's respect the arrangement.

However, If pickleballers are using the courts at times other than 6:30 – 8:30 p.m. Tuesdays and Thursdays during July and August and some people show up to play basketball, the pickleballers should vacate the courts (in a timely fashion – after all, if you are in a middle of a game you should be able to finish it) to allow basketball to happen. If pickleballers and bballers cannot self-regulate the use of the courts themselves, then I will have no choice but to put up a sign outlining what days and times each activity can use the courts – please don't make me do this.

On Saturday June 8<sup>th</sup> the Recreation Board invites everyone down to the Mike Karbonik Arena for a pancake breakfast to recognize the many contributions of the hardworking farmer to our community. For those dedicated harvesters of the earth, we will even have special little token of our appreciation (besides breakfast).

The following Saturday we will have the 1st Annual Father's Day Pentathlon to decide who is the greatest father in Calmar!!! Don't worry about the word pentathlon – the events won't be things like pole vault or 1500m races. Instead they will be fun things that a father might have to do. I don't want to give away too much lest some of you get an unfair advantage in training but think of things a father would have to do for their kids and family... Deadline for registration is 4:30 p.m. Wednesday 05 June. There's no cost but we do need to know in advance how many will be participating.

Apparently tennis isn't too big here in Calmar so to try and maximize usage of facilities and to help give kids something to do, please note that on Tuesday nights from 7:00 – 8:30 p.m. Pastor Froese will be holding ball hockey at the tennis court at Centre Park. Other than this time of the week, the tennis court will be for tennis.

The Summer Get-A-Way will start on Tuesday 02 July and while registration forms are not ready yet, the deadline for registration and payment will be Wednesday 26 June. The Get-A-Way is a first class program (as can be evidenced by the incredible 58 registrations we had last year) and for many a year it has been significantly undervalued. In order to ensure that we can continue to provide quality programming registration rates have been adjusted (last year's increase was to help offset the cost of the field trip t-shirts the kids got to keep). For Calmar and Leduc County residents it will be \$25/wk and \$30/field trip or the entire 6-weeks for \$250. For those living elsewhere, the rates will be \$50/wk and \$60/field trip or \$500 for the entire program.

## THANK YOU TO OUR VOLUNTEERS

The Town of Calmar FCSS held its annual Volunteer Appreciation Night on Saturday 13 April at the Royal Canadian Legion. Over 80 Calmar and area volunteers and about 115 people in total took part in the event which featured the awarding of a 5-year service pin to Bonnie Wurban of the Alberta Zirka Ukrainian Performers and 10-year service pins to Pete and Roxanne Popowich and Kos Vanderveen of the Royal Canadian Legion Branch 266. The highlights of the night were the naming of Howard Wurban as the 2019 Robert Royer Volunteer of the Year Award recipient and Katherine Newhook as the 2019 Violet Zak Youth Volunteer of the Year.

The supper was catered by Bob Ronnie Catering and during the evening almost twenty (20) door prizes were given out in addition to this year's (attending) volunteer gift of stainless steel reusable straws. Rounding out the evening was an entertaining demonstration of stage hypnosis by JayDee.

Thank you to all the volunteers who came out. We hope you enjoyed the gifts, the pins, the meal, the prizes, and the entertainment.

**90 per cent of Albertans suffer from symptoms of dry eye**  
New study finds most Albertans don't know this is treatable

As Albertans shake off the layers left behind from the brutal cold of winter, a new study reveals many are battling the symptoms of dry eye. Stinging, gritty, scratchy and uncomfortable eyes are just some of the signs that Alberta optometrists are encouraging people to be on the lookout for.

"Many Albertans aren't even aware that they are suffering from an eye condition," says Dr. Sara Starko, an optometrist in Calmar. "Often times we see patients try and treat the symptoms themselves, not realizing that dry eye can be a real issue and that their optometrist can help by properly assessing the cause and providing the best course of treatment."

The Alberta Association of Optometrists recently commissioned a survey to dig deeper into the issue of dry eye. The survey revealed that 90 per cent of Albertans have experienced the symptoms which also include fluctuating vision, a burning feeling or, most common among Albertans, the feeling of something foreign in the eye (74 per cent) and teary eyes (74 per cent).

"There are many factors that can cause dry eye symptoms," says Dr. Starko. "They can result from the normal aging process, hormonal changes, exposure to certain environmental conditions and irritants, UV exposure or problems with normal blinking. Medications such as antihistamines, oral contraceptives or antidepressants can also be a cause."

In moderate to severe cases, dry eye symptoms can lead to blurred vision, light sensitivity or even periods of excess tearing in response to the dryness. They can also make contact lens wear more difficult due to the increased irritation.

According to the new data, almost 3 in 5 Albertans who have experienced dry eye symptoms do not use anything to treat their dry eye. Dr. Starko says this statistic is concerning, as when left untreated, dry eye symptoms can cause tissue damage and scarring of the sensitive corneal tissues of your eye, leading to impaired vision.

While over-the-counter drops or lubricating eye treatments can temporarily mask the symptoms, Dr. Starko points out that these can, in some cases, make the situation worse. In fact, symptoms of dry eye may be indicative of a larger issue such as an eyelid infection or disease, which would require a proper diagnosis and treatment from an optometrist.

"I would encourage everyone to visit their optometrist for dry eye symptoms, as we are your best line of defense against any underlying issues that may be causing the problem," she says. "Appointments to treat conditions like dry eye, an eye infection or sudden changes in vision are covered by Alberta Health Care – the first step is to book an appointment."

For more information, visit [www.optometrists.ab.ca](http://www.optometrists.ab.ca).

#### Survey Details

*Please note: The survey data applies to those aged 18 and over.*

*Survey methodology: An online omnibus survey was conducted from February 7 – 13, 2019. The research surveyed 1,000 Albertans. The estimated margin of error for the total sample is +/- 3.1%.*

### **Starting a Home Based Business?**

Did you know that you may require a Development Permit and possibly other approvals if you are going to change the existing use of your building?

Also, if you are operating a home based business you are required to obtain Development Permit approval and Business License approval.

Please contact Ruth Sider, Development Officer, at [rsider@calmar.ca](mailto:rsider@calmar.ca) or 780-985-3604 ext. 233.

### **Never Forget To Pay Your Utility Bill Again!**

The Town offers the option for your utility payments to be automatically withdrawn.

You will still receive your regular bill in the mail, stating "Do Not Pay". Your amount due will automatically be withdrawn on the 6th of each billing month (every two months).

This will help ensure your accounts are always in good standing with no penalties or transfers to Tax accounts.

If you are interested or have more questions, please contact Darlene @ 780-985-3604 ext. 222 or [dparchoma@calmar.ca](mailto:dparchoma@calmar.ca).

### **Property Taxes**

The Town offers a penalty free payment plan specially for Tax Accounts. (TIPS)

You can sign up anytime through out the year!

(Will need to pay up front for the months that have already passed, to stay caught up).

All you need is a signed Pre-Authorized Debit form and a VOID Cheque/ Direct Deposit paper from your Bank.

No missed due dates and penalties, no need to renew every year. Just an automatic withdrawal from your account once a month.

~The payment is calculated based on your most current levy~

If you are interested in joining, contact Heather @ [hbryans@calmar.ca](mailto:hbryans@calmar.ca) or 780-985-3604 ext. 232.
