**2021 Municipal Election Newsletter**  
**OCTOBER 2021**

October 18th, 2021 brings us to another round of Municipal Elections across Alberta. In Calmar, residents will elect a Mayor and four Councillors.

Along with electing a Mayor and Councillors, residents will also be voting on Referendum questions. There are currently two announced Referendum questions to be voted on, they are:

- Should section 36(2) of the Constitution Act, 1982 – Parliament and the government of Canada's commitment to the principle of making equalization payments – be removed from the constitution?
- Do you want Alberta to adopt a year-round Daylight Savings Time, which is summer hours, eliminating the need to change our clocks twice a year?

For those unable to vote on Election Day, an **Advance Vote** is to take place on Saturday, October 2<sup>nd</sup>, 2021 between the hours of 11:00am and 2:00pm, at Council Chambers located at 4901 – 50 Avenue, using the east entrance.

**Election Day** will be Monday, October 18<sup>th</sup>, 2021 and voting will take place between the hours of 10:00am and 8:00pm at the Voting Station located at the Calmar Legion at 4815 – 47 Street, Calmar.

**All candidates**, whether nominated for Mayor or Councillor, should review Section 147 of the Local Authorities Election Act, and make themselves aware of their responsibilities in regard to reporting campaign financing and expenses whether a candidate is elected or not.

For more information or should you have any questions, please contact Returning Officer Heather Bryans at 780-985-3604 ext. 232 or email [hbryans@calmar.ca](mailto:hbryans@calmar.ca).

## ENFORCEMENT SERVICES OCTOBER EDITION

### **MARKET ON MAIN:**

As I walk the Market on Main each Friday, I'm impressed by the support and conversations that are held. The vendors that are coming from other communities are happy the Town supports Market on Main. I also have also noted how it has become a meeting place for all to come out and visit with each other while sitting and listening to the musicians who perform for all. As I patrol through town, I am told how the locals look forward to supporting this market and wait until Friday to make their purchases locally. Great to see everyone out and about!

### **SCHOOL IS BACK IN:**

Please remember the school year has begun and our little ones and growing children are out and about more. This means we must be aware as drivers and more diligent in watching for pedestrian traffic. Also, watch for our school buses when they are stopped, loading, and unloading the kids. All vehicles are required to stop in each direction until the bus driver has brought in their stop sign on the side of the bus.

### **GOVERNMENT COVID RESTRICTIONS:**

Be aware that government restrictions can change by the day, week, or month. If you are unsure of the restrictions, go to the <https://www.albertahealthservices.ca/topics/Page16944.aspx>. Please understand that no matter your political opinion, our hospitals and health care providers need our help to slow the spread of whatever name you choose to call this virus. Cancer patients, kids requiring surgeries, and elderly that need care, are all either being cancelled or told to stay home as there is no more room. This really makes me sad. Let's all do our part and follow government mandated and suggested procedures, so we can slow this virus down and allow those who are in line to receive the treatment they require, to get it.

### **TRAFFIC ENFORCEMENT CALENDER:**

Effective next Calmar Chronicle, we will be posting traffic enforcement location and purpose of that location. As an example, when and where speed enforcement will take place, when and where seatbelt or distracted driving enforcement will take place. Notifying the public of such operations has the intended effect of specific traffic enforcement, as well as gaining traffic compliance on the posted dates. Traffic enforcement will continue to be ongoing as well as outside the scheduled dates and times.

### **CLOSING STATEMENT:**

I would like to remind everyone to respect your neighbours and allow for difference of opinion. Let's be part of whatever is necessary to keep us all healthy and safe. Tomorrow will be there for some of us, and it won't be there for others. The problems lie in that we all don't know which side of tomorrow we fall on. Enjoy life, enjoy your families, enjoy your friends, live life to the fullest until you can't.

Stay safe.

Regards,

CPO LEGGIO

**Calmar Days** – Maybe it’s just me but it seems the return of Calmar Days was a successful one. For a moment the parade seemed to be in jeopardy, but it ended up a success. Congratulations once again to the Calmar Legion Dart League for taking Best Overall Float. Thanks also to the Calmar Public Library for helping the kids decorate their bikes for the parade. The kids’ activities were a huge success, thanks in no small part to the contribution from Latmann Equipment of a generator for the bouncy games. The drive-in movie was a total smash with probably 60 vehicles minimum and at least 200 people out to watch Monsters, Inc. The Mega Market saw over 80 vendors including food trucks and, as usual, the fireworks were a blast. And speaking of the fireworks, congratulations to the residents of Calmar for respecting the safety zone.

A big thank you to everyone who helped with Calmar Days (and Homecoming), especially Mayor Yachimetz, Councillors Balaban and Gardner, CAO Krawchuk, Public Works and Parks and Rec Departments, CPO Leggio, EDO Michelle Levasseur (and her kids), and Michelle Lemire.

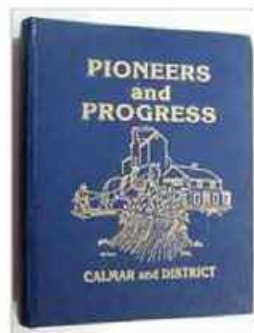

**Calmar Christmas Craft Fair** – the event is scheduled for Saturday 06 November at the Royal Canadian Legion and I already have 7 vendors paid to attend! Maybe this year there won't be a snowstorm at the same time!

**Snowman Contest** – For kids and families alike, please note the snowman contest is back for another year!! Sometime between now and Friday 17 December submit a photo of your snowman and you could be announced as a prize winner at First Night! Please note that submission of a photo is also implied consent for the Town to use names and photos for promotional purposes.

**Xmas Lights Contest** – Here's a contest for the grown-ups!!! Just like the snowman contest, submit a photo of your home between now and Friday 17 December and you could be announced as a prize winner at First Night! Please note that submission of a photo is also implied consent for the Town to use names, addresses, and photos for promotional purposes.

**Recreation Board** - The Recreation Board is going through more changes and as a result, we have some volunteer opportunities once again. If anyone is interested in joining the Recreation Board, we are looking for both regular community members as well as members from recreation groups. Anyone who is interested in joining the Recreation Board can contact me at [bking@calmar.ca](mailto:bking@calmar.ca) or via phone at 780-985-3604 ext. 224 for more information.

**Homecoming Weekend** has come and gone but that doesn't mean that all the homecoming activity has stopped!! We are still collecting **RECIPES AND STORIES** about your family, a business, a team, or anything else about Calmar for a planned Volume 2 to **Pioneers and Progress**.

So, if there was a favourite recipe that your Nana made for you that you would like to share or if you have an interesting story to tell about your family or something Calmar, please submit it to [bking@calmar.ca](mailto:bking@calmar.ca). At present there is no deadline but the sooner we can collect all this material the sooner we can get Volume 2 on the shelves!!!

# What's Happening at the Calmar Public Library

## OCTOBER 2021

This fall seems to be a busier time than usual. Between the federal election, municipal election and everything opening, the province seems to be buzzing before winter takes over. Speaking of elections, while the Library is neutral Switzerland, we do recognize that the municipal election is a very important one for libraries. Why is this? Funding, of course! The Town of Calmar contributes approximately 60% of our operational budget, with the remaining funding coming from the Province and Leduc County. Last year our funding from the Town of Calmar was reduced. This resulted in the library no longer being able to offer Monday night and Saturday services. Patrons have asked if we will be returning to our regular Monday night and Saturday service. The answer is that it depends on funding. We encourage you to ask those running for the Town of Calmar Council what their intentions are with the Library's overall budget? Sometimes it isn't enough to say, "I support the Library". The question becomes, "*How do you support the Library*"? Below are two questions to ask the candidates:

- If elected, how do you plan to balance the needs of the Library with other municipal funding obligations?
- What do you believe the Library brings to our community and how will you help the Library achieve that role if you are elected?

We at the Library recognize the difficult role that members of Council must fulfill and appreciate their past and continuing support of the Library. We look forward to working with the newly elected Town Council.

I suggest that to remain up to date on what is happening at the library please go to our website [www.calmarpubliclibrary.ca](http://www.calmarpubliclibrary.ca) or like us on Facebook. I encourage you to utilize our knowledgeable staff via our **Reading Bag Service**. This service continues to be very popular! Email us at [circulation@calmarpubliclibrary.ca](mailto:circulation@calmarpubliclibrary.ca) to organize your reading bag.

Did you know that you may require a Development Permit and possibly other approvals if you are going to change the existing use of your building?

Also, you are required to obtain a Business License.

Please contact Ruth Sider, Development Officer, at [rsider@calmar.ca](mailto:rsider@calmar.ca) or 780-985-3604 ext. 233.

### **Property Taxes**

The Town offers a penalty free payment plan specially for Tax Accounts. (TIPS)

You can sign up anytime through out the year! (You will need to pay up front for the months that have already passed, to stay caught up).

All you need is a signed Pre-Authorized Debit form and a VOID Cheque/Direct Deposit form from your bank.

No missed due dates and penalties, no need to renew every year. Just an automatic withdrawal from your account once a month.

~The payment is calculated based on your most current levy~
