The Calmar Fair Bench Show took place on August 16 at the Calmar Curling Arena. As the organizing committee, we're pleased to reflect on the success we experienced this year. Those who have been in and around Calmar long enough will remember that we used to have a bench show up until the 1990's. Sadly, interest faded, and for a time Calmar was without a proper fair. After a 10+ year dormancy, the Calmar Fair Bench Show was resurrected in 2008 by Bob McKerracher and Linda Vander Veen. For the first few years, the bench show was held in the Scout Hall south of Main Street. In 2010, the Fair moved to the Calmar Curling Arena and things have been looking up ever since. Each year has seen a marked improvement over the year before.

This year has been another banner year! Compared to last year, the number of exhibits increased by 70% while participation was up by a staggering 93%! Furthermore, hundreds of fair-goers toured the exhibit hall during Saturday's public showcase.

Competition was divided by age and categories. Overall point leaders in each of those categories were awarded plaques in recognition of their achievement. Our overall winners for Junior, Intermediate, Teen, and Adult age groups were Owen Rennie, Carol, Megan Froese, and Nolene Boender respectively. The adult age group was broken down further into baking (Linda Vander Veen), Gardening (JP Vander Veen), Handicrafts (Una Thompson), and Photography (Rebecca Oosterhoff). Congratulations!

We want to extend a heartfelt thanks to partners, sponsors, and everyone who participated this year! When we look at other fall fairs and bench shows across Canada and the Prairies, we're inspired to continue developing this into something that will put Calmar on the map!

If you'd like to participate next year, please check us out at www.facebook.com/calmarfair or at our website, www.calmarfair.com.

Comments from the Mayor...

Where does the summer go?... Silly question one asks every September. Reflecting back, I would say that it was busy and that there were successes. Many children benefited from the cooling waters at the spray park, the summer getaway camp had a high attendance and the Calmar Days/Mega Market was another smash hit. Add to all that... the fantastic job done by our staff and Communities in Bloom, in making our town look so wonderful... and it all adds up to a great summer for our community.

I would like to commend the Zirka organization for their incredible transformation of the “Zirka Hall”. The reconstruction of the hall and the work done by talented local artist, Jeanine McIntosh, on the mural, is something we can all be proud of. It is amazing how vision and talent can create a landmark that will stand the test of time.

Speaking about vision and talent, we are constantly in search of both as we seek to fill positions on various boards and committees. We know that there is an abundance of vision and talent in our community and I hope to see more of it step up. When you talk about creating a landmark that will stand the test of time, with your help we can make Calmar that landmark. If you wish to be more active, whether it's in a large way, or to a lesser degree, contact the Town Office and ask...”How do I sign up?”.

In closing I would like to challenge the residents of Calmar to be part of the future. If boards and committees aren't your thing, stay tuned for other opportunities, such as open houses or meet and greets with council, we are dedicated to be out in the community more in the future. Remember I'll be in my office on the following dates; September 2, 9, 16, 23, 30 - October 2, 7 and 9, from 8:30 - 12:30. Coffee will be on!

We live in exciting times, in a wonderful province, a fantastic country and a special town.

Here to serve you,

Mayor Don Faulkner
