MAYORS CORNER

April hath put a spirit of youth in everything. - William Shakespeare

Spring is now upon us, the sun is with us longer each day. I would like to take a moment and thank all our public works & parks staff for their commitment to our roads, walking paths and our winter facilities. It is their hard work that keeps our community shiny and safe. Thank you to all citizens and businesses for keeping walks cleared and passable for all our children and residents that enjoy the outdoor walks in the cool winter air.

Council is excited to be working with a few future developments in our community. A development permit has been issued for a new apartment building south of highway 39 just before entering the Southbridge area of town. The Calmar Subdivision Authority approved a new 8 lot subdivision in Highway 39 Industrial Park making room for increased industrial land offering in our community. Council and administration are working with developers for future non residential and residential areas within the current town boundaries.

On the Parks & Recreation and FCSS fronts, administration is excited to be planning summer camp programs, a new July 1st celebration (it will be fun for all ages) and of course our renowned Calmar day celebrations in August. Communities in Bloom is beginning their annual plans for the annual town beautification program with baskets, plants and flower gardens around the town. The community gardens will also begin their second year of operation. If anyone is interested in volunteering or sponsoring any of these summer events or projects please reach out to the town office. Watch our town website and our social media for more information as it becomes available.

Check out the local Library, there are many cool events planned on a regular basis by the hard-working team. Check out their webpage or stop in and say hello to Susan and the gang and enquire about the cool upcoming events.

Fair– did someone say we can have the midway and fair rides back to town. Administration is working with a provider to bring the fair and rides back to town. Watch the website for more details.

Finally, April 16th to April 22nd is national volunteer week. There is a recognition event being planned, please watch for more details on social media and the town website for more details. We thank all volunteers, without these special people we would not enjoy many of the programs within our community. I tip my hat to you all.

Sincerely Yours

Sean Carnahan, Mayor

Calmar a great place to call home.

We Got This!

Supporting ourselves, our families and our friends through stressful times

Stress and burnout generally go hand-in-hand. Burnout is what we experience after a prolonged period of unrelenting, cumulative stress – and that stress can come from any (or all) aspects of our lives. If you think of an overflowing cup that simply cannot hold anymore – that's stress. When we just pour that cup out until there's nothing left – that's burnout.

Leduc County and VIV Mental Health will help participants learn the best tools to manage stress, prevent burnout, and support those who are experiencing their effects. Using real-life scenarios, interactive tools and engaging facilitators, we'll help take the stress out of managing stress. We will also provide participants with a strategy toolkit to take home and share, outline how to access local resources, and provide the opportunity to ask our facilitators stress and burnout-related questions.

Date: Saturday, May 6

Time: 10 a.m. to 2 p.m.

Location: Program Centre (4815 49 Street, Calmar, AB)

Register: online at www.leduc-county.com/we-got-this or contact Kristin at 780-955-6421 or kristin@leduc-county.com. Lunch will be provided.

E-Prep: Emergency Preparedness workshop

What is E-Prep? The intent of this workshop is to encourage individuals to discuss, explore, discover and develop their own personal emergency preparedness plan. E-Prep is an interactive and educational workshop with a step-by-step approach to create a personalized preparedness kit while focusing on mental health and emotional wellness for both individuals and communities. *For more information, contact Sara at 780-955-6424 or sara@leduc-county.com.*
