## MAYORS CORNER

*"Fall has always been my favorite season. The time when everything bursts with its last beauty, as if nature had been saving up all year for the grand finale." - Lauren DeStefano*

September has come and gone already, families have settled back into school routines, class pictures have been taken, fall & winter recreation programs have started, and the harvest of gardens and fields have wrapped up. October brings us the favorite gathering time known as Thanksgiving. A time to gather with family and friends to give thanks for the bounty of harvest, the great friends & family we are blessed with and to our own health.

I would like to extend a huge thank you to the parks and recreation staff for the continued hard work in keeping our parks and flowers around our community looking beautiful all season. Thank you to the hard work that happens each year for getting the arena ready for the busy season. The arena is going to be busy place this winter with lots of added users. Feel free to pop down and check out what's happening. Public use slots have been set aside and will be posted on our town website.

We start October off with the fall clean up from Oct 2nd to Oct 6th . Please have your items out front by Oct 2nd. See the town website for more details. The recreation department has worked with user groups to see the return of pickle ball and adult volleyball at the school. Please check out information on social media or stop by the office and speak with Mr. Miller. The library has a full schedule of fun and interesting events through out October. Please check out the library or town website schedule of events for more information. We wrap up October with Halloween. The fun time to mask up and become that favourite ghost, witch or iconic cartoon character you love so much and parade through the community collecting goodies. Please everyone let's be mindful of all the extra foot traffic in our neighbourhoods.

Council and administration will be working hard throughout the month of October and November to put together the 2024 budget. Budget season is always filled with many decisions, some are easy decisions while many others are tough, as we always need to be mindful of our ratepayers. Please watch the town website and the town sign for your opportunities to provide input, suggestions and feedback into the budget that will continue to provide the valued services and great things that we all come home to. If you have suggestions or questions please feel free to reach out to the town administration or one of the council. We always love hearing about the things that may enhance our community.

As a reminder to all, Council adopted a new advertising bylaw that will allow us to advertise on our website as our primary advertising choice. This allows us to save the costly advertising in newspapers that only those that subscribe to get. We will continue to use our town sign and the Chronicle, along with add ons to our utility billings, to communicate items of importance to all.

Sincerely Yours  
Sean Carnahan, Mayor  
Calmar a great place to call home

An update from the Town of Calmar's Recreation Department for you! After a wonderful summer with very successful Calmar Canada Cup and Calmar Days we now move into the Fall and eventually....Winter season!

We have adult volleyball on Monday evenings and pickleball on Tuesday and Thursday evenings, both begin at 7:00pm with the doors opening at 6:45pm at the Calmar Secondary School! On top of that we have weekly public skating at the Mike Karbonik arena on Mondays and Thursdays and Stick and Puck / Shinny on Tuesdays and Fridays at 3:30pm until 4:45pm. There will also be weekly updates offering other times throughout the ice season so make sure you stay tuned to our website and social medias for those!

On our event side we have our Christmas in the Park celebration which will be on the evening of November 30th, just in time for our Light Up Calmar December Christmas Lights competition! This all culminates at our First Night celebration on New Years eve with a wonderful firework display for people far and wide to see!

As always if you have an idea for an event or program you would like to see here in Calmar, give us a ring at the Town Office!

## Property Taxes

The Town offers a penalty free payment plan specially for Tax Accounts.

You can sign up anytime through out the year! (You will need to pay up front for the months that have already passed to stay caught up.)

All you need is a signed Pre-Authorized Debit form and a VOID Cheque/Direct Deposit form from your bank. No missed due dates and penalties, no need to renew every year. Just an automatic withdrawal from your account once a month.

The payment is calculated based on your most current levy.

If you are interested in joining, contact Heather @ 780.985.3604 EXT. 232
