High Performance Governance is all about our **Organizational Ability to Lead, Imagine New Possibilities and Achieve Operational Excellence.**

July 1/24, Canada Day Celebration

- I helped with the serving of the pancake breakfast and truly appreciate the help received from our volunteers.
- Although I did not help with any of the other activities but said ahead of time that I was available and was not asked to help with anything.
- Staff were exceptional and helped the day run smoothly. I truly appreciate all their hard work.
- Excellent event and something that adds to the mosaic of our community.

July 15/24, Regular Council Meeting

- Refer to Calmar Town Web Site for agenda and minutes.

July 19/24, Chamber Golf Tournament in Devon

- Spent the day with Glen Finstad and two councillors from Strathcona County. Started the day off with a Calmar Bakery treat and had good conversations throughout the day.

July 29/24, Lunch meeting with Andrew Boitcheko

- He truly seems interested in what we are doing and the challenges that we face. He can be a valuable ally, and we need to build and strengthen our relationships with him. First off use him in a conversation with RMC, I feel he can help with moving their project forward. Secondly keep our relationship moving forward by having regular (perhaps bi-monthly) meetings. Thirdly acknowledge and validate his work with us through our social media.

July 29/24, Special Council Meeting

- Refer to Calmar Town Web Site for agenda and minutes.

Only one page, lol.
