

January 2025 Council Report

Councillor Jaime McKeag Reber

Thank you to my fellow Council Members who covered me and my committees during the first half of January as I took time to adjust to baby number 3.

January 19th- **Communities in Bloom**- Never a dull moment with CIB. This year flower basket was approved. They did briefly speak about a Beautification ask along 44th Ave but feel that it is out of their jurisdiction at this time. They also spoke about relocating some of the planters from last year that need a bit more sun, and from the Town lot that was sold.

January 20th- **Regular Meeting of Council**- Please see Council meeting minutes

January 21st- Kicked off the first **Calmar Playdates of 2025** after a successful Pilot project in October/November of 2024. This is happening Tuesday mornings from 9-11am geared towards kids under the age of 5. Thank you to fellow volunteer Joslyn Black for joining and helping the first day run smoothly.

January 27th- **YRL Trustee & Alternate Orientation**- a great review.

January 28th – Volunteered at the **Calmar Playdates** at the Program center. Parents are really happy to have something in Calmar for this age group.

January 31st- **Committee of the Whole**- Please see meeting minutes.
