

March 2025 Council Report

Councillor Jaime McKeag Reber

March 1st- **Chamber Business Awards Gala**- Attended the Gala with Councillor Garnder and Councillor Benson. A lovely evening with everyone dressed their best. It was great to see so many Calmar Businesses and a special shout out to **Nurtured Minds** who operates out of the Medical Building for winning the award of their Category. They deserve the recognition for sure!

March 3rd- Regular Meeting of Council- Please see meeting minutes

March 4th- **Calmar Playdates- Lead Volunteer**

March 5-7th- **AB Muni's Spring Caucus**- I must say that this was the best of all the Ab Munis that I have been to so far. I felt the sessions were important and really hit the mark on Civility, Mental Health, Upcoming Elections and more. I especially liked the Break out session with the Towns and speaking with members from the Town of Canmore, Town of Mayerthorpe, Town of Cardston and Town of Coalhurst about their pump tracks, council remunerations and what we felt we are proud from the last term.

March 10th- **YRL Board of Trustees Meeting**- We spoke a lot of about Cyber security, especially surrounding Tax season and community members doing taxes on Public Library and then not closing out their computers fully before the next person hops on. I sent an email to the Library Manager and Councillor Benson and Mayor Carnahan with what we spoke about.

March 11th- **Calmar Playdates Lead Volunteer**

March 11th- Meeting with **Rec Coordinator and FCSS Coordinator** and volunteer **Joslyn Black** about opening up a school gym one night a week for **Family Open Gym and Teen Open Gym** starting in April

March 11th **Special Council Meeting**- Please see meeting minutes

March 13th- Met with **Rec Coordinator and FCSS Coordinator** to further conversation about the Open Gym Nights and Spring Break Programing with **Councillor Gardner**

March 16th **Communities in Bloom**- AGM. Welcome to the New board! Lots of great ideas for this next season with an emphasis on growing the CIB recognition and volunteerism in town.

March 17th **Leduc County Fire Services Update**

March 17th- **Regular Meeting of Council**- Please see meeting minutes

March 18th- **Calmar Playdates Lead volunteer**- St. Patricks day craft! We had the kids colour leprechauns, cut them out and paste them on to pieces of paper. I made the mistake of taking

out some of the bingo dabbers and that became a little too much fun and messy. Lesson learned.
Great day with all the kidlets.

March 26th Committee of the Whole- Please see meeting minutes

March 27th Policy and By-Law Committee meeting- please see meeting minutes
