Statutory Holidays - Open every holiday with the exception of Christmas Day, Boxing Day and New Years Day.

The member municipalities of the Leduc and District Waste Management Facility have implemented a **Resident Identification Card** system at the Leduc and District Regional Waste Management Facility. By implementing the Resident Identification Card system, the member municipalities of the Leduc and District Regional Waste Management Facility anticipate a reduction of abuse by non-residents of the member municipalities and hope to allow their residents continued use of the landfill for household waste without implementing facility usage fees. **The member municipalities include the City of Leduc, County of Leduc, the Town Of Beaumont, the Town of Devon and the Town of Calmar.**

If you are a resident and wish to sign up for a Resident Card, you can so in two ways:

- 1) Going online and filling out the application. The online application can take up to two weeks to process and receive your card by mail.
- 2) The other option is to go to our Scale House and fill out the application with a 24 hour activation period.

If you are a resident of these member municipalities, you will be able to use the facility to dispose of 1 tonne (1000 kg) of household waste per year without being personally charged at the scale house upon exiting the facility provided you are able to produce a Leduc and District Waste Management Facility Resident Identification Card.
